We regret very much that one child, Mrs. Raymond Baldwin, some other grandchildren and the great grandchildren were absent.

How sweet that mother can still enjoy these happy times and we hope that she may enjoy many more reunions of her family and loved ones.

Dodge Brothers Standard Six is the fastest car, with the fastest pick-up, under a thousand dollars.

HOWEVER

That is only HALF the story. The IMPORTANT point is that this exceptional speed is made practical by Dodge ruggedness of chassis and body construction

OTHERS

Might succeed in building a car at this price with equal SPEED, but to do so successfully they would also have to build a car with equal STURDINESS . . .

AND

That is where Dodge Brothers, with years of experience in building a dependable low-cost product, are years ahead of the field.

YOU

Can buy the Standard Six knowing that it is not only the fastest car in its class but the sturdiest—and the one is every bit as important as the other . .

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tasteless Nexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. This water loosens the dry, hard, undigested matter, thus producing natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Nexall Orderlie at night. Next day bright. Get 24 for 35c today at nearest Nexall Drug Store.

WITH SUCH TRADITION—CONFIDENCE MUST BE DESERVED

meat and bread and a promise to pay

IT WAS 1865. THE WAR BETWEEN the states was over and the remains of a once prosperous railroad were returned to the original owners. With tracks, depots and trestles destroyed—a physical as well as a financial wreck—they had but $3,000 in the treasury with which to rebuild the road.

¶ Unable to pay for labor, unable to buy materials—all they could offer was "faith"—faith backed with "meat, bread and a promise to pay."

¶ And on these the railroad was rebuilt.

¶ Later, keeping faith with its employees as well as its public, the promises of the old South Side Railway were made good and all its workmen were paid. And now, absorbed in a great railway system, its history becomes part of the tradition of the NORFOLK AND WESTERN RAILWAY.

¶ *It is because of such tradition that public confidence is won—and continues to be deserved.*
